Woolwich Polytechnic School for Girls

Student Attendance Policy

Overview:

Woolwich Polytechnic School for Girls is committed to ensuring that all students achieve both academically and personally throughout their time at school. We understand the vital role that good attendance plays in this: in order for students to achieve well, they must attend school regularly and arrive on time. There is strong evidence of the direct link between excellent attendance and excellent academic outcomes.

The law entitles every child of compulsory school age to a high-quality, full-time education. Parents and carers have a legal responsibility to ensure that the child attends every day the school is open and arrives on time. Our expectations as a school regarding attendance and punctuality, and the supporting systems that underpin this, are there to ensure that students and their families are supported to do this.

The Department for Education (DfE) has produced statutory guidance for maintained schools, academies, independent schools, and local authorities. It is called "[Working together to improve school attendance](#)" and it includes a National Framework in relation to absence and the use of legal sanctions. Our Attendance Policy reflects the requirements and principles of that guidance.

Aims:

This policy is written with the above guidance in mind and underpins our school ethos to:

- **promote children's welfare and safeguarding;**
- **ensure every student has access to the full-time education to which they are entitled;**
- **ensure that students succeed whilst at school;**
- **ensure that students have access to the widest possible range of opportunities at school, and when they leave school.**

Our policy aims to raise and maintain levels of attendance by:

- **Promoting a positive and welcoming atmosphere in which students feel safe, secure and valued;**

- **Raising and maintaining a whole school awareness of the importance of good attendance and punctuality;**
- **Ensuring that attendance is monitored effectively and reasons for absences are recorded promptly and consistently.**

It has been developed in consultation with school governors, teachers, local Headteacher Associations, the Local Authority and parents and carers. It seeks to ensure that all parties involved in the practicalities of school attendance are aware and informed of attendance matters in school and to outline the school's commitment to attendance matters. It details the responsibilities of individuals and groups involved and the procedures in place to promote and monitor student attendance.

In addition, all schools follow the DfE's statutory safeguarding guidance, Keeping Children Safe in Education, which emphasises the importance of understanding the potential vulnerabilities of children who are missing or absent from education.

Promoting Regular Attendance

At Woolwich Polytechnic School for Girls, we set high expectations for the attendance and punctuality for all our students from the outset. It is a central part of our school's vision, values, ethos and day to day life. We recognise the strong connections between attendance, attainment, safeguarding and wellbeing.

Helping to create a pattern of regular attendance is the responsibility of parents, students and all members of school staff.

To help us all to focus on this, we will:

- Submit a daily attendance return to the Department of Education, in line with the legal expectations placed on all schools;
- Build strong relationships and work jointly with families;
- Promote the benefits of high attendance;
- Accurately complete admission and, with the exception of schools where all students are boarders, attendance registers and have effective day to day processes in place to follow-up absence as required by law;
- Celebrate excellent attendance by displaying and reporting individual and class achievements;
- Reward good or improving attendance;
- Report to parents/carers regularly on their child's attendance and the impact on their progress;
- Contact parents/carers should their child's attendance fall below the school's target for attendance

- Provide internal support and work with external agencies to support students and families when attendance is a cause for concern

Understanding Types of Absence

For students to gain the greatest benefit from their education it is vital that they attend regularly and be at school, on time, every day the school is open unless the reason for the absence is unavoidable. **It is a rule of this school that students must attend every day, unless there are exceptional circumstances, and it is the headteacher, not the parent, who can authorise the absence.**

Any absence from school affects the routine of a student's schooling and regular absence will seriously affect their learning journey and ability to progress. In addition, a student's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class. Ensuring a child's regular attendance at school is a parental responsibility and allowing absence from school, without a good reason, creates an offence in law and may result in prosecution.

Absence from school is recorded in sessions. There are two sessions a day: AM and PM. Every half-day absence from school has to be classified by the school (not by the parent), as either **authorised** or **unauthorised**. This is why information about the cause of any absence is always required.

Authorised Absence

Authorised absences are morning or afternoon sessions away from school for a genuine reason such as illness, medical or dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause. For cases of illness and unavoidable medical appointments, evidence may be requested before the absence is authorised. The school should be informed of all appointments **in advance** of the appointment taking place and appropriate supporting evidence must be provided.

Unauthorised Absence

Unauthorised absences are those which the school does not consider reasonable and for which no 'leave' has been granted. This type of absence can lead to the school referring to the Local Authority for penalty notices and/or legal proceedings.

Unauthorised absence can include (however this list is not exhaustive):

- parents/carers keeping children off school unnecessarily e.g. because they had a late night or for non-infectious illness or injury that would not affect their ability to learn;
- absences which have never been properly explained;

- children who arrive at school after the close of registration are marked using a 'U'. This indicates that they are in school for safeguarding purposes, however is counted as an absence for the session;
- shopping trips;
- looking after other children or children accompanying siblings or parents to medical appointments;
- their own or family birthdays;
- holidays taken during term time, not deemed 'for exceptional purposes' by the headteacher, including any arranged by other family members or friends;
- day trips;
- other leave of absence in term time which has not been agreed.

We monitor and review all students' absence, and the reasons that are given, thoroughly.

Absence Procedures

If a student is absent from school, the parent/carer must follow these procedures:

- Contact the school via Studybugs on the first day of absence before **8:00am**
- Contact the school on every further day of absence, again before **8:00am**
- Ensure that your child returns to school as soon as possible and you provide any medical evidence, if requested, to support the absence. Medical evidence may be requested where your child is having multiple periods of absence which are reported as being due to medical reasons. When determining whether a child is too ill to attend school, both parents and school staff can consider the advice contained within the NHS guidance on Absence and Childhood Illness.

If your child is absent we will:

- Notify you via Studybugs. However, it is your responsibility to contact us.
- If your child is absent for **three consecutive days** our attendance officer will make contact via phone or email.
- If we are unable to make contact with parents by phone, we will phone emergency contact numbers, send letters home and a home visit may be made, in the interests of safeguarding;
- A referral will be made to Local Authority if no contact has been made with parents by the **10th day of absence (or sooner if deemed appropriate)**, at which point your child will be considered to be "missing from education."

If absence continues we will:

- Write to you if your child's attendance is below **95% and/or where punctuality is a concern;**
- Arrange a meeting so that you may discuss the situation with our school Attendance Officer and other members of leadership staff

- Create a personalised action/support plan, such as an attendance contract, to address any barriers to attendance and make clear each person's role in improving the attendance patterns of your child;
- Offer signposting support to other agencies or services, if appropriate;
- Refer the matter to the Local Authority for relevant legal sanctions, if attendance deteriorates following the above actions.

Lateness

At Woolwich Polytechnic School for Girls we value the importance of good time-keeping. Poor punctuality sometimes leads to irregular school attendance patterns and has a disruptive effect on learning – both to the student who is late and their peers.

The times of the start and close of the school day for all students at Woolwich Polytechnic School for Girls are:

Gates open: 7:50am

Registration starts: 8.15am

Registration closes: 8:40am

End of the school day: 2:55pm (2:05pm Wednesdays)

How we manage lateness:

- The school day starts at **8.15am - all students must be in the playground by 8:13am ready for line up**
- Registers are taken at **8:20am;**
- Students arriving after **8:15am** are required to come into school via the student entrance. Students are expected to sign in via Inventory and provide a reason for their lateness, which is recorded;
- At **10:30am** the registers will be closed. In accordance with the Regulations, if your child arrives after that time, they will receive a mark that shows them to be on site – 'U', but this will **not** count as a present mark and it will mean that they have an unauthorised absence;
- The school will contact parents/carers regarding punctuality concerns;
- In line with our Positive Relationships and Expectations policy, students who arrive after **8:15am** will receive a same day detention or reset, dependent on the time they arrive into school.
- The school reserves the right to issue a late detention or reset for lateness if an appointment letter/ notification has not been provided in advance or the reason for lateness is not deemed to be an extenuating circumstance. Bus and train delays, traffic, or dropping a sibling at school is not an extenuating circumstance. Every effort should be made to account for potential delays in the planning of your child's journey to school.

As a school, we may waiver late detentions/resets, if there is an incident in the local community which has a severe impact on local transport affecting both students and staff however, these incidents are rare.

Unauthorised lateness could result in the school referring to the Local Authority for sanctions and/or legal proceedings. If your child has a persistent lateness record, you may be asked to meet with Sandy Jones, Attendance Officer and/or your child's head of year.

Understanding barriers to attendance

Whilst any student may occasionally have time off school because they are too unwell to attend, sometimes they can be reluctant to attend school. Any barriers preventing regular attendance are best resolved between the school, the parents and the student. If a parent thinks their child is reluctant to attend school, then we will work with that family to understand the root problem and provide any necessary support. We can use outside agencies to help with this, such as the School Nurse, Mental Health and Emotional Wellbeing support services, a Child and Family Support Worker or the relevant Local Authority team/s. Where outside agencies are supporting the family, you may be invited to attend a Team Around the Family meeting (TAF) to consider what is working well and what needs to improve. An individual support plan will be agreed and subsequently reviewed.

Some students face greater barriers to attendance than their peers. These can include students who suffer from long-term medical conditions or who have special educational needs and disabilities, or other vulnerabilities. High expectations of attendance remain in place for these students, however we will work with families and students to support improved attendance whilst being mindful of the additional barriers faced. We can discuss reasonable adjustments and additional support from external partners, where appropriate.

Under the DfE's statutory guidance, schools are required to submit a sickness return to the Local Authority for all students who have missed/are likely to miss 15 or more school days (consecutive or cumulative) due to medical reasons/illness.

See Annex A for summary tables of responsibilities for school attendance.

Persistent Absenteeism (PA) and Severe Absenteeism (SA)

A student is defined by the Government as a '**persistent absentee**' when they miss 10% or more schooling across the school year for any reason; this can be authorised or unauthorised absence. Absence at this level will cause considerable damage to any student's education and we need the full support and co-operation of parents to resolve this. All students who have attendance levels of **90% or below** are considered to be a **persistent absentee**.

A student who has missed **50% or more schooling** is defined by the Government as '**severely absent**'. Students within this cohort may find it more difficult to be in school or face bigger barriers to their regular attendance and, as such, are likely to need more intensive support.

Local Authority attendance support services

The Local Authority Attendance Advisory Service works strategically by offering support to schools to reduce persistent absence and improve overall attendance.

Parents are expected to work with the school and local authority to address any attendance concerns. Parents should proactively engage with the support offered, aiming to resolve any problems together. This is nearly always successful. If difficulties cannot be resolved in this way, the school may consider more formal support and/or refer the child to the Local Authority. If attendance does not improve, legal action may be taken in the form of a Penalty Notice or prosecution in the Magistrates Court.

School Attendance and the Law

New legislation was passed, The School Attendance (Student Registration) (England) Regulations 2024 which introduced a National Framework in England. By law all children of compulsory school age must receive an appropriate full-time education (Education Act 1996). Parents have a legal duty to ensure their child attends school regularly at the school at which they are registered.

Parents may be recognised differently under education law than under family law. Section 576 of the Education Act 1996 states that a 'parent', in relation to a child or young person, includes any person who is not a parent (from which can be inferred 'biological parent') but who has parental responsibility, or who has care of the child.

A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their biological or legal relationship is with the child.

National Framework for Penalty Notices

There is now a single consistent national threshold for when a penalty notice must be considered by all schools in England, of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. The 10 sessions of absence do not have to be consecutive and can be made up of a combination of any type of unauthorised absence (G, O and/or U coded within the school's registers). The 10 school week period can span different terms, school years or education settings.

Sanctions may include issuing each parent (for each child) with a Penalty Notice for £160, reduced to £80 if paid within 21 days (for the first offence). A second Penalty Notice issued within a three year period will result in a fine of £160 per parent, per child. If a third offence is committed the matter may be referred to the local authority for consideration of prosecution via the Magistrates Court. If prosecution is instigated for irregular school attendance, each parent may receive a fine of up to £2500 and/or up to 3 months in prison. If a parent is found guilty in court, they will receive a criminal conviction.

There is no entitlement in law for students to take time off during the term to go on holiday or other absence for the purpose of leisure or recreation, or to take part in protest activity in school hours. In addition, the Supreme Court has ruled that the definition of regular school attendance is "in accordance with the rules prescribed by the school."

The School Attendance (Student Registration) (England) Regulations 2024 set out the statutory requirements for schools. All references to family holidays and extended leave have been removed. The amendments specify that headteachers may not grant any leave of absence during term time unless there are "exceptional circumstances" and they do not have any discretion to authorise up to ten days of absence each academic year.

It is a rule of this school that a leave of absence shall not be granted in term time unless there are reasons considered to be **exceptional** by the headteacher, irrespective of the child's overall attendance. Only the headteacher or her designate (not the local authority) may authorise such a request and all applications for a leave of absence must be made in writing, in advance, on the prescribed form provided by the school. The school will usually consider that the parent who has made the application is therefore allowing the leave of absence, and also that all parents who are on the holiday are allowing the leave. Where a parent removes a child after their application for leave was refused or where no application was made to the school, the absence will be recorded as unauthorised. It is likely that penalty notices will be requested, in line with the National Framework and Royal Greenwich Code of Conduct, in respect of each parent believed to have allowed the absence.

At Woolwich Polytechnic School for Girls 'exceptional circumstances' will be interpreted as:

- being of unique and significant emotional, educational or spiritual value to the child which outweighs the loss of teaching time (as determined by the headteacher).

The fundamental principles for defining 'exceptional' are events that are "rare, significant, unavoidable and short". By 'unavoidable' we mean an event that could not reasonably be scheduled at another time, outside of school term time, regardless of who has planned or paid for the holiday or absence (including grandparents or other family or friends).

The headteacher/school may discuss the leave of absence request with other education settings and/or the Local Authority to determine any exceptional circumstances.

Deletion from Roll

For any student leaving Woolwich Polytechnic School for Girls other than at the end of year 11, parents/carers are required to complete a **'Students moving from school/Leavers form'** which can be obtained from the school office. This provides school with the following information: Child's name, class, current address, date of leaving, new home

address, name of new school, address of new school. This information is essential to ensure that we know the whereabouts and may appropriately safeguard all of our students, even those who leave us.

Children who leave school without the provision of a forwarding address and/or identified school place, can become 'children missing education' [Children Missing Education - Guidance for Local authorities \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/100000/children-missing-education-guidance-for-local-authorities.pdf). Schools must take appropriate action to safeguard all children and where necessary, refer the matter to the LA, where a child is determined to be missing. This may necessitate the involvement of Social Care and/or the police.

It is crucial that parents keep school updated with current addresses and contact details for the student and key family members, in case of emergency.

Under Student Regulations 2006, all schools are now **legally required** to notify their Local Authority of **every new entry** to the admission register **within five days** of the student being enrolled. In addition to this, **every deletion** from the school register must also be notified to the Local Authority, as soon as the ground for deletion has been met in relation to that student, and in any event no later than the time at which the student's name is deleted from the register. This duty does not apply when a student's name is removed from the admission register at a standard transition point – when the student has completed the final year of education normally provided by that school.

Absence data

We use data to monitor, identify and support individual students or groups of students when their attendance needs to improve, and schools are required to submit student attendance data to the Department for Education on a daily basis Education (Information about Individual Students) (England) (Amendment) Regulations 2024. Persistently and severely absent students are tracked and monitored carefully. We also combine this with academic tracking, as increased absence affects attainment.

We share information and work collaboratively with other schools in the area, local authorities, and other partners, when absence is at risk of becoming persistent or severe.
